

# BEST PRACTICES FOR QUARANTINED WORSHIP

We want to help our church love and follow Jesus well during this time. Here are some tips on the best way to center your quarantine on the gospel as we worship together online.

**Prepare:** Gather everything you need before the service starts (Bibles, journals, sermon notes, device to watch the service on, etc).

**Print:** Download and print resources like the kids' activities and sermon notes at [www.ashland.church/live](http://www.ashland.church/live)

**Put Aside:** Put your phone on Do Not Disturb. Get everyone together in the same location each week. Make it part of your weekly rhythm. Limit as many distractions as you can.

**Pray:** Ask the Holy Spirit to help you and everyone tuning in to hear and believe the gospel.

**Participate:** Sing loudly. Pray. Follow along in your Bible. Take notes.

**Practice:** Discuss how you'll apply what you just heard from the Word of God as a family and/or in your BFG (via online video chat like [Zoom](#), [Skype](#), [Google Hangouts](#), [FaceTime](#), etc).
