SERMON GUIDE

ACTS 1:8

How has God uniquely prepared and equipped you to be a witness at this time?

Specifically, how does the promise of God's coming Kingdom of Christ without sin and without fear of death free you up to react and live differently from those around in this time of crisis? Think money, time, sacrifices, risks, emotions, outrage, anxiety, etc.

Who do you need to share the gospel with this week? Stop now and pray for opportunities. What steps will you take to do so? Be specific.

Where as God uniquely placed you in this quarantine? What opportunities for ministry is this providence of God giving you? How will you be an intentional witness where God has placed you this week?

"But you will receive power when the Holy Spirit has come upon you, and you will be my witnesses in Jerusalem and in all Judea and Samaria, and to the end of the earth."
