SERMON GUIDE

JOHN 19: 16-42

During this pandemic in what ways have you been reminded that you aren't in control and how does it comfort you to know that Jesus is in control?

How has being a member of our church family helped you through this time? How will you help others in our church family this week?

How are you tempted to finish your salvation with good works and how will you trust that Jesus finished it? How are you tempted to despair that certain sins are unforgivable and how will you trust that Jesus finished it?

What opportunities have you had to bear witness during this pandemic? Who will you bear witness to so that they also may believe in Jesus?

During these "bad" days how has your love for Jesus and longing for heaven grown? How has your appreciation for what Jesus did on the cross increased?

How have these "bad" days, been good days for you and your family?

So they took Jesus, and he went out, bearing his own cross, to the place called The Place of a Skull, which in Aramaic is called Golgotha. There they crucified him, and with him two others, one on either side, and Jesus between them.

John 19:16–18
